I S T L M T A

**Context:** This week the children are going to be learning about money. We have been looking at different coins and notes that we use in Dubai. Today the children will use single dirhams to count out a quantity and pay for the items in the toy shop.

**Learning Objective:**

- \*Beginning to use everyday language related to money.
- \*Count reliably to 10 and beginning to count beyond 10.

**Success Criteria:**

- I can recognize numbers to 10.
- I can name the currency I am using.
- I can count out quantities to 10 accurately.

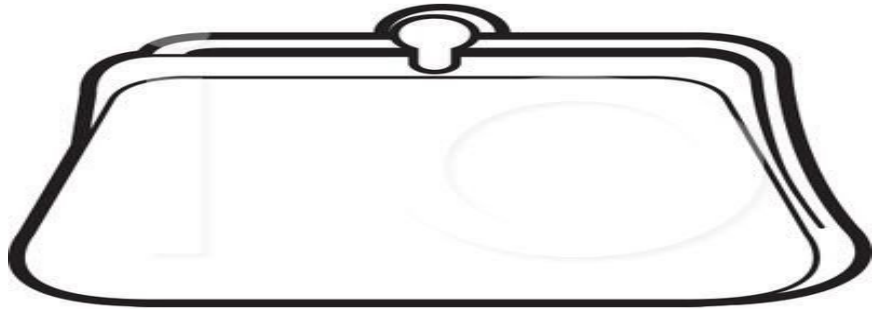

**Next Steps:**

Cut and stick the dirhams into the wallets to pay for the items.
